Memorandum of Understanding

Between

Pandit Bhagwat Dayal Sharma University of Health Sciences, Rohtak

And

Deenbandhu Chhotu Ram University of Science and Technology, Mурthal, Sonipat

This Memorandum of Understanding (MoU) is entered into on the 19 Dec. 2025, between Pandit Bhagwat Dayal Sharma University of Health Sciences, Rohtak, hereinafter called **UHS**, and Deenbandhu Chhotu Ram University of Science and Technology, Mурthal, Sonipat (hereinafter called **DCRUST**). The purpose of the MoU between DCRUST and UHS is to promote Academic/Research/ Healthcare/Extra-curricular activities and any other, if deemed appropriate by mutual consent of both parties.

Objective:

1. DCRUST and UHS may undertake joint educational and scientific research projects within the specified areas of interest to promote academic and research interactions and co-operations.
2. The project proposal may be formulated jointly by the concerned faculty of DCRUST and UHS, if so agreed mutually.
3. Joint-sponsored projects could be undertaken with both long-term and short-term goals in keeping with the interests/philosophies of respective universities.
4. Joint academic/research/healthcare and extra-curricular activities could be undertaken at both university campuses.

Exchange/Deputation of staff:

1. Both universities shall encourage lectures by the faculty/Scientists of the university in the area of academic exchange, scientific cooperation, and various other facilities, including healthcare, sports, extra-curricular facilities etc. Visiting scientists and appropriately qualified faculty members from either university shall be paid honorarium by the host University for the lectures delivered at mutually agreed rates.
2. There shall be a provision whereby eminent visiting faculty/scientists with specialization in the area of cooperation at either university shall be encouraged to visit the other University to deliver lectures/teaching.

Joint conferences/Workshops/Courses:

1. Both universities agree to hold/conduct, wherever feasible, joint conferences/workshops/ training courses within the areas of common scientific interest /cooperation.

Sharing of facilities:

1. Both DCRUST and UHS agree to share their respective important research and development facilities to promote academic and research interactions in a user-friendly manner with a spirit of healthy cooperation and professionalism in accordance with the guidelines set forth for such purpose.
2. The two universities agree to exchange software, and other material and components developed in the area of science and technology, if permissible, within the rules governing the two universities.
3. Both DCRUST and UHS agree to provide access to their libraries to the students of each other for a specified period on a case-by-case basis upon receiving such a request forwarded by the concerned Head of Department.
4. Both shall continue to provide uninterrupted passage to bonafide members of each other into their areas.

Doctoral /Master's Program Supervision

1. There shall be a provision for joint supervision/guidance with the UHS and the DCRUST faculty for M.D/Ph.D./M.Phil./other PG course, etc. for registration in either university, if so, or in a manner permitted under the respective ordinances of both the universities.
2. UHS shall extend the facility to DCRUST students without engaging in a financial or other liability, wherever and under the circumstances feasible registered for PhD or master's degree to carry out their clinical training/thesis/dissertation or project with one of the qualified UHS faculty member of the concerned department acting as co-supervisor and vice-versa and in a manner prescribed or as per the regulations/guidelines/instructions of the concerned program.

Areas of cooperation: The areas of collaboration and mutual interest shall be clearly defined and modified by the coordination committee established for this purpose, with the prior approval of the competent authorities of both universities.

Coordination Committee: The coordination committee, consisting of the following members, shall be constituted to take policy decisions and coordinate and monitor the progress of the collaborative research programme in mutual areas of interest between the two universities.

1. Vice-Chancellor, UHS or his representative
2. Vice-Chancellor, DCRUST or his representative
3. Dean Academic Affairs, UHS
4. Dean Academic Affairs, DCRUST
5. Registrar, UHS
6. Registrar, DCRUST
7. Dean, PGIMS
8. Director Research, DCRUST
9. One senior Professor, UHS, shall act as nodal officer, UHS
10. Chairperson, Biomedical Engineering, shall act as nodal officer, DCRUST.

The nodal officers shall liaise with members of the coordination committee for facilitating the successful implementation /continuation/termination of such collaboration.

The coordination committee shall meet once a year to:

- a. Review the progress of identified research programmes.
- b. Approve new R&D proposals for collaborations and implementation on a case-by-case basis, including intellectual property rights (IPR) and financial arrangements.
- c. Consider various policy issues and addition/deletion of areas of cooperation during review.

This MoU shall be valid for a period of five years from the date of its signing. During the period of its validity, the MoU can be modified or amended at any time by the coordination committee by mutual consent or terminated by either party giving a written notice of at least one month in advance. Both parties will continue the work during this notice period. In the event of emergent situation, accidental in nature or pertaining to loss of, or risk to live in any way or due to natural calamities or such eventualities affecting the prestige of either university and under circumstances beyond control of either university, Vice-chancellor of the two universities shall be empowered to terminate this MoU without prior notice, but complete justification by citing the reasons of such a decision be conveyed to the other party.

All disputes relating to this MOU shall be subject to the jurisdiction of the district courts, Rohtak. Efforts shall be made to settle disputes, if any, through an arbitrator; the arbitrator shall be appointed with the mutual consent of both parties. Names of three arbitrators shall be suggested by the interested party, out of which one may be approved by the other party within a period of two weeks of receipt of the panel consisting of the names of the competent personalities. In case there could not be the mutual consent on the arbitrator then the arbitrator at Rohtak shall be appointed as per the arbitration and conciliation act of India. Each party shall be liable for non-performance or indemnity for causing loss to the patent and not abiding by the responsibilities and liabilities.

In witness where the two parties have signed this Memorandum of Understanding by the hand of DR. Roop Singh, Registrar on behalf of Pt. B.D. Sharma, University of Health Sciences, Rohtak, and by the hand of DR. AJAY KUMAR GARG, Registrar on behalf of Deenbandhu Chhotu Ram University of Science and Technology, Mурthal, Sonipat, in the esteemed presence of Vice Chancellor of both the universities, on date, month and year referred to above.
