Subject: Regarding prescribing minimum eligibility qualification for the various courses.

Sir/ Madam

I am directed to invite your kind attention towards Government instructions No. 3870-WGI-ASOIII-64/20069 dated 6<sup>th</sup>/ 9<sup>th</sup> October, 1964 whereby the candidate of Scheduled castes and Scheduled tribes provided 5% reduction in marks in the minimum eligibility qualification for admission in various courses.

It has come to the notice of the Government that at present where a General category student is required to have 50% marks in a prescribed qualification for admission in any course, as per the above instructions a reserve category candidate category is required to have 45% marks giving him 5% reduction in minimum qualification. Vide judgment of Hon'ble Supreme Court in Civil Appeal No. 7084/2011, it has been observed that practice is wrong and the relaxation of 5% should be reduced from the minimum required marks on a general category candidate For e.g:-

In a course, a general candidate required to have 50% marks, than as per Government instruction by giving 5% relaxation the minimum eligibility marks for a reserved caste candidate should be calculated as under:-

Out of 100 marks needs to be  $\leq 5$

Out of 1 mark needs to be  $\leq 5/100$

Out of 50 marks needs to be  $\leq 5/100 \times 50 + 2.50$

This way less marks where general category candidates are required to have 50% in a prescribed qualification the total required marks for a reserved candidate will be  $50 - 2.50 = 47.50$  and not 45

All the concerned are requested to implement the instructions as per the above procedure in compliance of the judgment of Hon'ble Supreme Court passed in CWP 7084/2011.
